WORK EXPERIENCE

Associate Team Leader – L&D Analyst

AM Motors

Malappuram, Kerala · Automotive Sector

AI-powered workflows

L&D programs coordinated

DMS data maintained

- Generate reports, emails, and summaries using AI tools (Claude AI) to improve content quality, accuracy, and workflow automation
- Responsible for using AI tools to generate, review, and optimize business content, reports, and workflows — driving productivity gains across the L&D function
- Maintain employee master data in DMS including joinings, exits, and internal transfers, ensuring data integrity at all times
- Support recruitment data entry and candidate tracking throughout the hiring lifecycle
- Assist in identifying training needs through performance analysis and employee feedback reviews
- Plan and coordinate training programs for employees and sales teams aligned with organizational goals
- Assist in designing performance improvement plans for low-performing employees
- Support the team leader in managing day-to-day L&D activities and operational reporting

Human Resources Analyst

AM Motors

Malappuram, Kerala · Automotive Sector

Time-to-Hire reduced by ~18%

Dashboards for 4 depts

Payroll accuracy 99.5%

- Analyzed employee turnover, absenteeism, recruitment metrics, and payroll data to support management decisions
- Generated monthly and quarterly HR dashboards and MIS reports in Power BI for leadership review, reducing report turnaround by ~30%
- Monitored recruitment KPIs — time-to-hire, cost-per-hire, and offer acceptance rate — reducing average hiring cycle from 28 to 23 days
- Conducted compensation and benefits analysis across job bands, ensuring internal equity and market competitiveness for 100+ employees
- Supported payroll processing and performed end-of-cycle audits, maintaining a 99.5% accuracy rate
- Maintained and audited HRIS records for data integrity and 100% policy compliance
- Assisted in workforce planning and manpower forecasting aligned with business growth targets
- Prepared performance management reports and identified employee development trends

Business Development Executive – Marketing

Inmakes Infotech Pvt Ltd

Kochi, Kerala · EdTech / IT Services

Led team coordination and project management for B2B marketing initiatives, ensuring on-time delivery of all milestones

Executed outreach and B2B marketing campaigns that improved lead engagement metrics by ~22% quarter-on-quarter

Maintained performance tracking dashboards and weekly reporting for team KPI reviews
